

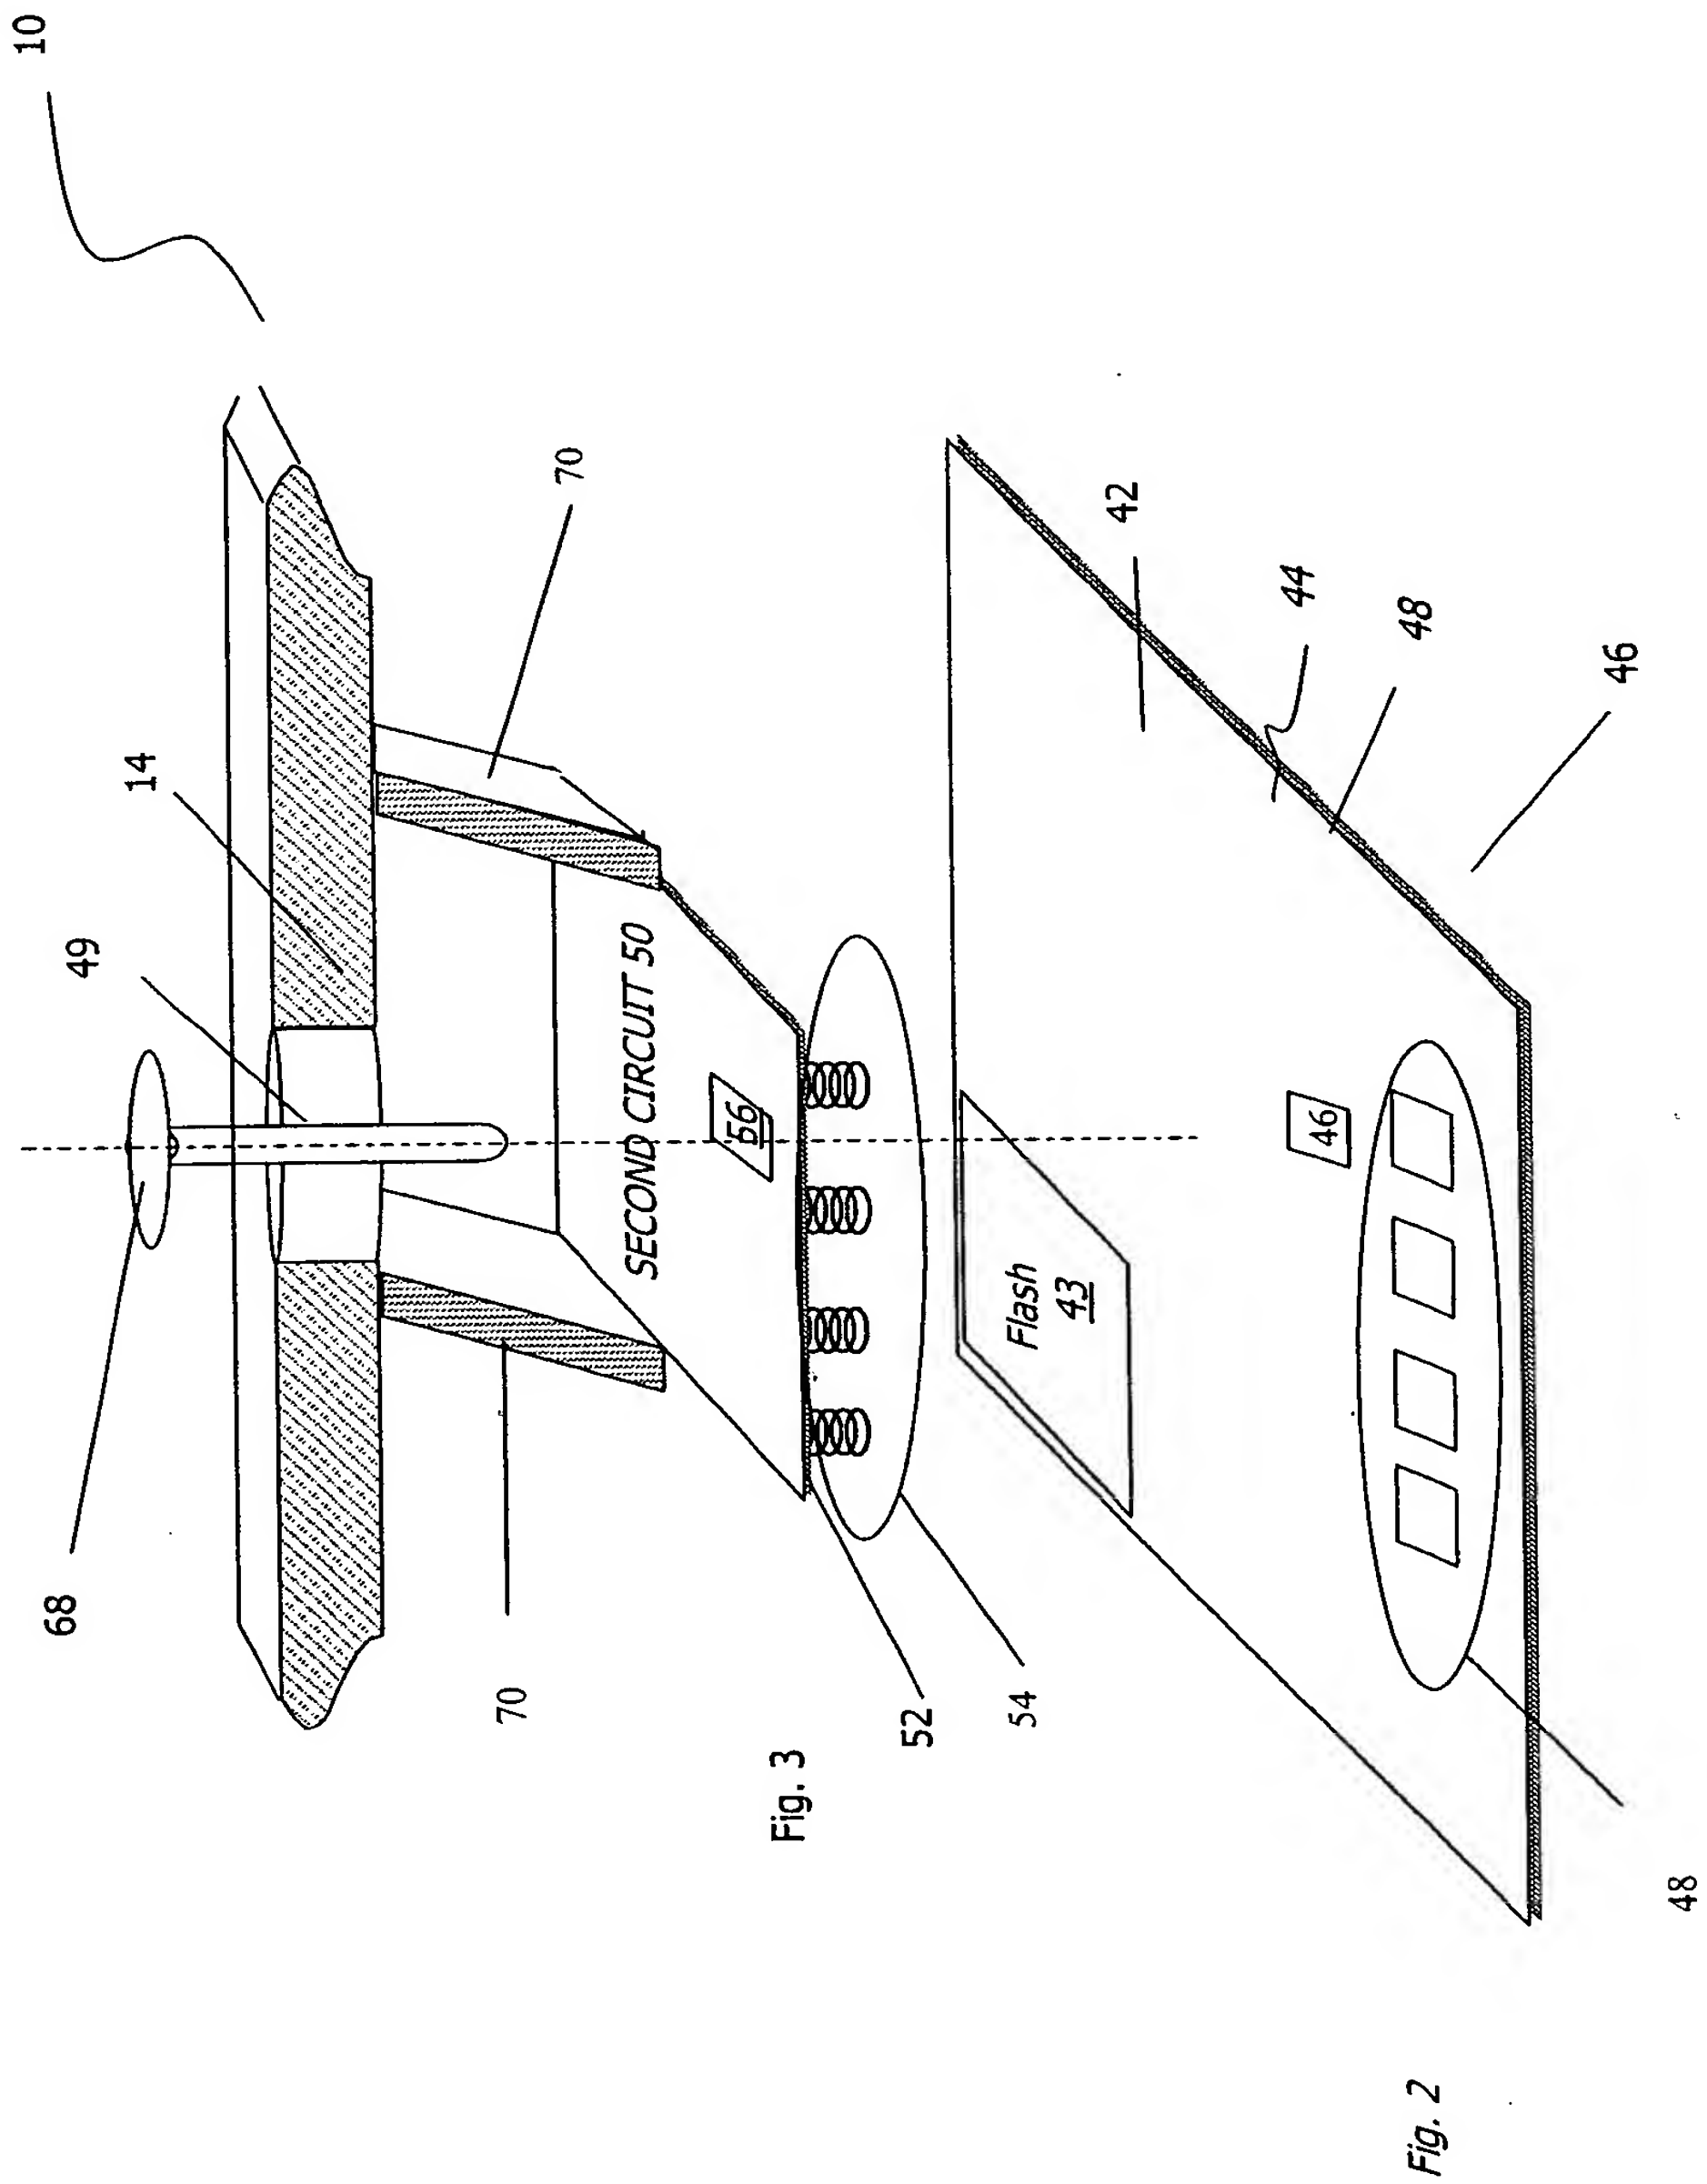

Fig. 1

FIG. 1

This diagram illustrates a cross-section of a vehicle interior, focusing on the driver's side. The vehicle body is shown with a curved roofline (10) and a floor (14). The driver's seat (12) is positioned on the left, with a backrest (15) and a seat cushion (16). The seat is supported by a frame (17) and a base (18). The driver's footwell area (19) is shown with a pedal (20) and a footrest (22). The dashboard (24) is located in front of the driver, and the steering wheel (28) is positioned in front of the driver's seat. The engine compartment (30) is shown on the right side of the vehicle, with various mechanical components labeled with numbers. A dashed line indicates a cross-section through the vehicle body, showing the internal structure and components. The diagram is labeled with numerous numbers (10, 12, 14, 15, 16, 17, 18, 19, 20, 22, 24, 28, 30, 32, 34, 34', 36, 38, 39, 40, 42, 43, 46, 48, 52, 54, 56, 64, 68, 70) indicating specific parts and components.
